Susan Bores
Jewelry Design
Photography

During this year's **ARTmostNY** event I'll have several jewelry projects in motion over the weekend to demonstrate some of the techniques, tools, and materials that I use in my designs. I'll also have prints on display. Sparks of creativity usually fire freely and I'll share some of my muses and welcome questions.

<p>Bob Madden Stone Sculptor</p>		<p>During the ARTmostNY tour this year, I'm going to start from a block of soapstone and create a Mobius strip. A Mobius strip is an elegant shape with interesting mathematical properties and I'll enjoy discussing it with the ARTmostNY visitors.</p>	<p>463 Gardner Hollow Rd Poughquag NY 12570 845-206-3298 Bob@RockandASoftPlace.com RockandASoftPlace.com Instagram- bob_madden_sculptor</p>
<p>Karen Madden Metal Sculptor</p>		<p>My project for the ARTmostNY open studio tour will be a sculpture in the "Around The Bend" series. Visitors will be seeing me cutting, grinding/polishing steel in preparation for welding together in the creation of the piece. The design will consist of several twisting pieces that will be different colors. By the end of Sunday, the piece will be ready for powder coating. You'll be able to see the finished piece on Instagram, Facebook or at my studio (by appointment).</p>	<p>463 Gardner Hollow Rd Poughquag NY 12570 845-206-3297 Karen@RockandASoftPlace.com RockandASoftPlace.com Instagram- karenmaddenart</p>
<p>Bill Prickett iPhonographer</p>		<p>Currently, much of my focus is revolved around shooting with the iPhone and manipulating with iPhone-iPad-desktop devices always keeping inkjet printing and framing in mind. During the ARTmostNY tour I will be doing that and more.</p>	<p>6 Holiday Street Pawling, NY 12564 347.576.5116 bprickett@mac.com prickettmedia.com Instagram- wtprickett</p>
<p>Linda Puiatti Landscape Painter</p>		<p>For ARTmostNY, her studio will open for visitors to see her working methods, works in progress and completed paintings in stock and for sale. Questions are welcome and there will be an opportunity to discuss her palette, mediums, the painting process and framing. Her studio is located in the barn on Sunset Lake, 4 Eleanor Drive, Holmes NY 12531.</p>	<p>4 Eleanor Drive, Holmes NY 12531 cell: 845 418 0379 www.lindapuiatti.com Instagram- linda puiatti</p>
<p>Julie Troiano Wood Turner</p>		<p>During the ARTmostNY tour this year I am going to start with a block of wood (cherry or maple) and use my lathe to cut away a channel in the rim. I'll fill the channel with natural items such as dried flowers, seeds, leaves and seashells then cover them all with clear epoxy. Once the epoxy dries, I will use my lathe to cut away excess wood and epoxy to create a beautiful bowl with a</p>	<p>8 Bridle Way Pawling, NY 12564 914-874-3648 julann.troiano@gmail.com julanntroiano.com</p>
